CS 002 – Assignment 8: Noise Signals

Collaboration Policy

You may not use code from any source (another student, a book, online, etc.) within your solution to this assignment. In fact, you may not even look at another student's solution or partial solution to this assignment. You also may not allow another student to look at any part of your solution to this exercise. You should get help on this assignment by coming to the instructor's office hours or by posting questions on Canvas (you still must not post assignment code publically on Canvas.)
